I:\interference\cases\224569gro\1.313(a) Petition to Withdraw-Chen.doc

Petitioner requests this extraordinary relief because, if the above application issues as a patent before an interference is declared, then the assignee of the above application will be able to assert that patent against petitioner's assignee.

In the event that petitioner is deemed to lack standing to request withdrawal of the above application from issue, petitioners respectfully urge the Office to take that action *sua sponte*.

If more information is needed, a telephone call to petitioner's undersigned attorney would be greatly appreciated.

The Commissioner is hereby authorized to charge \$130.00 for the fee under 37 CFR 1.17(h) or any additional fees to Deposit Account 15-0030. A duplicate copy of this document is enclosed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'C. Gholz', written over the typed name.
